

THE Y.™ FOR A BETTER US.

GROW WITH US...

LET'S GROW TOGETHER

A Cause You Can Believe In.

At the Y, we dream of a future in which more children are nurtured and developed, more adults and seniors are proactively taking care of their health, more teens are provided a safe, encouraging environment, and more families are creating a stronger bond.

Inspired? So Are We!

Our dream requires the support of people like you— people dedicated to strengthening our community. Every dollar donated to the Annual Giving Campaign has a lasting impact on the people in our community. Funds raised support programs such as Financial Assistance, Safety Around Water, Rock Steady Boxing, Dream Team, Youth Engagement and more. Your gift will ensure that thousands have the opportunity to grow with us at the Y!

Thank you in advance for your support. We look forward to seeing you at the Y!

With sincere appreciation,

SEEDS TO SUCCESS

At 23, Elizabeth (pictured in pink), is one of the many adults that benefit through the YMCA's Financial Assistance program. Elizabeth, lives with autism and at the age of 11, found her love for swimming. "I love when I am at the Y, I am surrounded by people who motivate me to do my best!" She is very thankful for the caring people at the Y and for the Financial Assistance program that provides her with a membership. **Let others experience what Elizabeth has grown to enjoy. By donating to the Annual Giving Campaign, you can plant a seed that might just change a life!**

LEARN • GROW • THRIVE

The Geneva Lakes Family YMCA offers a place to learn, grow and thrive through our three Areas of Focus:

For Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development – all grounded in the Y's core values of caring, honesty, respect and responsibility.

For Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

For Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.
