WORKPLACE CPR TRAINING

Do you have a group that needs Adult & Pediatric CPR/First Aid and AED training? We will come to you! We are excited to offer you an American Red Cross CPR Blended Learning training session, which combines online learning with an in-person skills session (3 hours in person and 3 hours online). Whether you are a business, church, school district, healthcare professional, or First Responder we want to help get your staff trained to respond to medical emergencies! Don't have a large enough space to spread out for training? Come to us!

TRAINING OPTIONS

Blended Learning (BL) = 3 hours online | 3 hours in-person

Online training portion will be sent to each participant prior to the in-person class. Participants must fully complete online portion and attend the entire in person training, led by a certified instructor. Includes skills session, activities and practice scenarios. Participants must demonstrate competency and pass a final written exam that is taken online with a minimum grade of 80%.

Full Course, In-Person (FULL) = 5 hours in-person (add'l, cost of \$130)

All information will be presented in-person by a certified instructor and will have multiple written quizzes to ensure that all participants have retained the information presented. Participants must attend the entire in person training, led by a certified instructor. Includes skills session, activities and practice scenarios. Participants must demonstrate competency and pass a final written exam with a minimum grade of 80%.
