Pool Party Guidelines:

- If a child CAN swim, they are allowed to use both pools. A child that "can swim" is based on their ability to pass our YMCA Lap Pool swim test. This swim test consists of swimming 25 yards, treading water for 30-60 seconds in the deep end of the pool, and swimming back 25 yards without stopping or using the wall for assistance.
- If a child CANNOT swim, then a parent or guardian (18+), must stay within arm's reach at all times in the Activity Pool only. 1:3 adult/child ratio. Parental supervision is mandatory in pool and locker rooms.
- Follow all pool policies including no shoes on deck and flotation devices from home are prohibited.
- Depending on party time, there may be other swimmers present.
- Pool party timeslots begin after 11:30 am on weekends.

All parties are personalized and include:

- A private party room
- Birthday party attendant to help you with your party, run games in gym or pool, record gifts, etc.
- Goodie bags for each child

Waivers:

All party attendees must complete a YMCA waiver in order to participate. If you are bringing a child from another family, please be sure to have a parent sign the waiver prior to attending.

Party reservation requests can be made in person or on our website at www.GenevaLakesymca.org/birthdays

Timeslots for parties vary depending on the type of party. Parties include 13 children + the birthday child. Some parties (not all) can take 2 more guests at an additional \$10 per child. We recommend you make a reservation 2-4 weeks in advance to allow us enough time to coordinate staff for your party.

Our Party Coordinator will contact you to confirm the date and discuss all of the details to ensure your party is a success!
