ADMISSION POLICY/SPECIAL NEEDS

Y School Age Programs are open to children of all abilities. Parents have a duty to disclose significant medical, physical or behavioral needs at the time of enrollment. Due to the large-group format of our School Age Programs, the Y is unable to provide one-on-one care. If your child has unique needs that require a more specific type of accommodation, a meeting must be scheduled with the Leadership Team a minimum of 2 weeks prior to attending program. This allows us to identify the most effective ways of serving you and your child. Children are still expected to maintain the standards of the School Age Program to the best of their ability. Any disciplinary actions that would be required would take their ability into account.

FREE Youth Membership or Upgrade to Family Membership

A FREE Youth Membership is complimentary to children enrolled in the Y's School Age Child Care programs. There are options to upgrade to family memberships as well!
