LAKE GENEVA MONTESSORI SCHOOL
OCTOBER 2025, ISSUE 13

Dear Montessori Families,

Welcome to a wonderful fall season! 🍁
We are so excited to continue learning,
playing, and growing together as the leaves
begin to change and the air turns crisp.
This time of year brings so many
opportunities for hands-on learning—
exploring pumpkins, leaves, apples, and all
the treasures of autumn. We'll be
incorporating the season into our stories,
songs, art projects, and outdoor adventures.

A few reminders as we move into fall:

- Weather changes quickly—please send your child with a jacket or sweater each day. We'll continue to spend plenty of time outside.
- Extra clothes—make sure your child's extra set of clothing is season-appropriate.
- Fall activities- be on the lookout for fun activities your child's teacher posts on Band!

Warm Regards,
Ms. Nicole

Montessori

School Calendar updates:

We will not be having Parent Night October 1st. Your teachers will contact you if a conference is necessary.

Fire Safety

October brings us Fire Safety week. This years theme is "Charge Into Fire Safety" focusing on battery powered devices and the growing need to understand fire risks in our technology-filled lives. The Lake Geneva Fire Department will be making a special visit to our school this month. Please watch Band for dates.

Classroom Communication

Our school is using Band app:

Please download Band on your smartphone or online at [Band.us](https://band.us) and join us to check pictures and events.

2 year old toddler house:

Friendly Reminders

When to Keep Your Child Home

In order to provide a safe environment for learning and student growth, please keep sick children home.

In the event your child becomes ill during the school day and needs to be picked up please do so promptly for your child's well-being and to prevent further spread of illness.

Listed below are some simple guidelines you should consider when determining when to keep your child home from school.

- Fever: Please keep your child home until temperature is below 100 degrees for 24 hours without fever reducing medication.
- Vomiting/Diarrhea: Please keep your child home until vomiting or diarrhea has stopped for 24 hours.
- Strep Throat: Your child should remain home for 24 hours after starting antibiotics.
- Eye Symptoms (redness, discharge, itching, swelling): Students should be evaluated by a healthcare provider. If antibiotics are prescribed, student should remain home for 24 hours after starting medication.

Parent Resources

How is Montessori Different?

To Discover more about the differences of Montessori, please click the link below to access the article from The North American Montessori Center.

The Purpose of Work

Within the Montessori environment, all activities are referred to as "work", reflecting a positive connection to enjoyable tasks that instill a sense of pride in the child. To explore this concept further, please click on the link below:

YMCA Programming

- **Fall Programs**

As a reminder, all children in the Montessori program have a complimentary Youth membership. Be sure to check out our year round program guides for additional programming.

GenevaLakesYMCA.org/pg

- **School Day Out**

On October 30 and 31, when there is no school, the YMCA does offer School Day Out programming for children ages 4-12.

GenevaLakesYMCA.org/sdo

- **Y-Time**

For 6th-8th graders, the YMCA is offering a FREE after school program for BOTH members and the community to hang out and play hard!

GenevaLakesYMCA.org/ytime

- **Trunk or Treat**

On Sunday, October 26, from 1-5 pm, in the parking lot of Lake City Social, the YMCA is partnering with the Lake Geneva Jaycees for Trunk or Treat. Come see us and other organizations on this spooktacular day!
