BEFORE & AFTER CARE

At Turtle Creek Elementary School | Delavan

The Geneva Lakes Family YMCA is pleased to bring our Y BASE child care program to the Delavan/Darien School District! The YMCA planned to start the program at the beginning of the school year, but does not have enough students registered. As a result, the program has been pushed back to a November or later start depending on enrollment. If you are interested in this program, please contact Hope Feldman, YMCA School Age Child Care & Preschool Director, at 262.248.6211 x26. She will update you with the program status and when registration will reopen.

Morning care (AM) is offered beginning at 6:30 am until school start time. Afternoon care (PM) is offered after school until 6 pm. Flexible days, hours, and drop-in options are available. This program will be available at Turtle Creek Elementary School, Delavan. Financial assistance is available.
