# TOGETHERHOOD™

## DOING OUR PART TOGETHER

At the Y, we're dedicated to strengthening community by giving back and supporting our neighbors. We know members like you have lots of ideas and the desire to reach out and make positive changes in our community.

That's why we invite you to participate in Togetherhood™, a program that gives Y members the opportunity to participate in service projects that benefit people and organizations right here in our neighborhood.

Togetherhood™ invites members to participate in the Y's cause to strengthen community. Collecting school supplies and other outreach efforts are just some of the countless ways Y members and their friends and families can come together. As a member of the Service Committee, you'll work with others to identify and run projects that help strengthen our community.
