YMCA Dream Team Baseball Is A Big Hit!

Your generous donations to the [Annual Giving Campaign](#) helps support the YMCA Dream Team, a special needs baseball league for kids ages 6+.

This summer the Geneva Lakes Family YMCA Dream Team will enroll over 60 participants from our area. The league will consist of 4 coaches and 35+ high school & middle school volunteers.

YMCA Dream Team Baseball runs mid-June through mid-July. The league competes against other Geneva Lakes Family YMCA summer baseball league teams & hosts an Annual Family Baseball Game. Come out to Veteran's Park to cheer on the team. It's a heart-warming experience!

The Geneva Lakes Family YMCA Dream Team has given the opportunity to many children with special needs to enjoy & play in an organized baseball program. Thank you to our Volunteer Coach John Swanson for his efforts to organize & lead the Geneva Lakes Family YMCA Dream Team Baseball Program.
